Invisible Protector

Plant-based PROTECTION THAT
PRESERVES THE *natural look* OF WOOD

Rubio® Invisible Protector

Invisible Protector is a plant-based wood protection that preserves the natural look and feel of your wood. The original surface gets a **durable protection** with an **invisible finish**. You can apply Invisible Protector on almost all wood types and it also preserves the natural look and feel of darker wood types. And last but certainly not least, Invisible Protector is based on a revolutionary plant-based resin.

At Rubio Monocoat, thinking green comes naturally. That's why Invisible Protector is the perfect example of our sustainable entrepreneurship and vision to **lower our environmental footprint**. By using a revolutionary technology based on **plant renewable materials**, Invisible Protector contributes to Rubio's EcoConscious story!
